What We Do

We work to increase our Club Members' daily physical activity, while helping them make smart food choices and enhance their ability to get along with other youth and adults.

What We Do

We focus on developing the skills and confidence for our Club Members to make smart choices in regards to drugs and alcohol.

Our Impact

Each summer, we spend 2 hours/week giving back. From garbage pick-up along trails to handmade dog toys for the humane society, our Club members love supporting their community.
